Dear Veterinary Medical Center of Long Island,

As the Founding President of Veterinarians International, I would like to personally thank you for making our work possible. Your kindness this past year supported *our GAAP/VI veterinary clinic protecting South America's only temperate rainforest, the building of a National Veterinary Training and Humane Education Program for Kenya, and vital veterinary services for baby elephants and wildlife in Sri Lanka.* Your generosity enabled us to look beyond the challenges of the COVID 19 pandemic and serve some of our planet's most ecologically sensitive regions, preserving biodiversity and preventing suffering.
